The following article was sponsored by the editor at Expandourmind. We saw in Part I how the Marxists arranged a historical process according to Plato which supposedly leads to their satanic world government after society collapses into an arranged chaos. In this part we look into the process of dialectics as a Marxist warfare strategy.

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...
