Pragmatism is a philosophical tradition that began in the United States around 1870. Its origins are often attributed to the philosophers William James, John Dewey, and Charles Sanders Peirce. Peirce later described it in his pragmatic maxim: "Consider the practical effects of the objects of your conception. Then,

your conception of those effects is the whole of your conception of the object."

Religion in Australia is diverse. Section 116 of the Constitution of Australia of 1901 prohibits the Commonwealth government from establishing a church or interfering with the freedom of religion. In an optional question on the 2016 Census, 52.2% of the Australian population declared some variety of Christianity. Historically the percentage was far higher; now, the religious landscape of ...

Religion, after all, is a powerful constituent of cultural norms and values, and because it addresses the most

profound existential issues of human life (e.g., freedom and inevitability, fear and faith, security and insecurity, right and wrong, sacred and profane), religion is deeply implicated in individual and social conceptions of peace.
