

perspectives in american indian pdf

The American Indian Movement (AIM) is a Native American advocacy group in the United States, founded in July 1968 in Minneapolis, Minnesota. AIM was initially formed to address Native American affirmation, treaty issues, spirituality, and leadership while simultaneously addressing incidents of police harassment and racism against Natives forced to move away from reservations and tribal culture ...

Native American boarding schools, also known as Indian Residential Schools were established in the United States during the late 19th and mid 20th centuries with a primary objective of assimilating Native American children and youth into Euro-American culture, while at the same time providing a basic education in Euro-American subject matters. These boarding schools were first established by ...
