Travel is the movement of people between distant geographical locations. Travel can be done by foot, bicycle, automobile, train, boat, bus, airplane, ship or other means, with or without luggage, and can be one way or round trip. Travel can also include relatively short stays between successive movements.

This is a photograph I took in Cambodia. For an amateur photographer like myself, I think it's a really good photograph! But what takes this photograph to the next level is the depth of field (the distance between the nearest and farthest objects in a scene that appear acceptably sharp in an image). Basically it's the ratio of what is out of focus (Angkor Wat in the background) and what is ...
