

popular music perspectives ideas pdf

This MMus builds on our international reputation in the popular music field, as seen in the success of our BMus graduates. The programme offers you the opportunity to reflect critically upon your own creative practice – whether that consists of performance, songwriting, arranging, production, or collaboration – and to integrate theoretical perspectives from contemporary popular music studies.

The consonance and dissonance of different intervals plays an important role in establishing the tonality of a piece or section in common practice music and popular music. For example, for a simple folk music song in the key of C Major, almost all of the triadic chords in the song will be Major or minor chords which are stable and consonant (e.g., in the key of C Major, commonly-used chords ...
