The James Cook University Hospital. The James Cook University Hospital is one of Europe's most modern hospitals. James Cook provides a wide range of district general hospital services and specialist services including neurosciences, renal medicine, spinal injuries, major trauma, cardiothoracic, vascular surgery and cancer services.

James Cook Station. Serving James Cook University Hospital

A hospital is a health care institution providing patient treatment with specialized medical and nursing staff and medical equipment. The best-known type of hospital is the general hospital, which typically has an emergency department to treat urgent health problems ranging from fire and accident victims to a sudden illness. A district hospital typically is the major health care facility in ...

Hospital - Wikipedia

The Northern General Hospital is a large teaching hospital and Major Trauma Centre in Sheffield, England. Its departments include Accident and Emergency for adults, with children being treated at the Sheffield Children's Hospital on Western Bank.
