A public company, publicly traded company, publicly held company, publicly listed company, or public limited company is a corporation whose ownership is dispersed among the general public in many shares of stock which are freely traded on a stock exchange or in over the counter markets. In some jurisdictions, public companies over a certain size must be listed on an exchange.

Controversy. Opponents of drinking in public (such as religious organizations or governmental agencies) argue that it encourages overconsumption of alcohol and binge drinking, rowdiness and violence, and propose that people should instead drink at private businesses such as public houses, bars or clubs, where a bartender may prevent overconsumption and where rowdiness can be better controlled ...
