"It's Star's first day of school and she isn't afraid to make new friends. Throughout the day, her conversations  
with her classmates teach her about many places and cultures around the world. And, by the end of her  
school day, she learns a big life lesson!

The Japanese school year begins on April 1 and ends on March 31 of the following year. Schools use a trimester system separated by vacation breaks. In the past, children attended school five full days and one half-day on Saturday. However, since 2002, students have attended school only five days a week, and Saturdays are "free days," known ...
