Summary + PDF - Principles: Life and Work, by Ray Dalio

- In the career sense, are you meant to do what you're doing? Are you spending your time on what makes you unique? Getting a job does not make you valuable. You also need to get better and better at providing value in what makes you strong, different, and special. Your ability to match your strengths with your day-to-day work will have a big impact on your quality of life and career success.
