During a public disorder, there is a basic break of civic order. Individuals or small groups assemble and have a tendency to disrupt normal order. During a public disturbance, there is turmoil on top of the initial disruption. Usually Individuals and groups assemble and begin chanting, yelling, singing, and voicing individual or collective opinions.

Studies in World Public Order is a scholarly, voluminous attempt to unify twelve essays into what Professor McDougal calls "a contextual, policy-oriented jurisprudence, postulating as its over-riding goal the dignity of man in an increasingly universal public order." While the book as a whole does not accomplish the afore-
