This led me to her books and this one in particular. What a find it turned out to be. This is a simple book but do not let this fool you that it is not good. I have read many books on writing and I would say this contains some of the best advice on writing characters. All characters are considered, both the main characters and the supporting cast.

### **Writing Characters Who'll Keep Readers Captivated: Nail**

characters for recovering their original meanings. A common way to make this type of character is to add radicals or other components to the original characters. The character 𐍚 (shǣ, snake) is an example from this category. The character 𐍚 (tǣ) was a pictograph of a cobra-like snake and originally meant 𐍚.
