Indian people. There is in sight an Indian Renaissance. There is a " New India in the Making." Indeed the stirrings of new life in India are hardly less marked, less profound or less revolutionary, than in Japan or China. Of this the book gives a vivid and reliable picture, and, what is of great importance, a picture from the inside.

Young India was a weekly paper or journal in English published by Mohandas Karamchand Gandhi from 1919 to 1931. Gandhi wrote various quotations in this journal that inspired many. He used Young India to spread his unique ideology and thoughts regarding the use of nonviolence in organising movements and to urge readers to consider, organise, and plan for India's eventual independence from Britain.

The story of India is one of growth, gains and gaps. With an economy that is going from strength to strength, benefiting from the demographic dividend of a young and growing workforce, this largest democracy of the world is also home to the largest number of children in the world. With this growth come real gains for Indiaâ€™s children and women.
