Coaching is a form of development in which a person called a coach supports a learner or client in achieving a specific personal or professional goal by providing training and guidance. The learner is sometimes called a coachee. Occasionally, coaching may mean an informal relationship between two people, of whom one has more experience and expertise than the other and offers advice and guidance ...

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of to pics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-pr ovoking.
