

your medical rights how pdf

think about your wishes in advance, discuss your options with family or friends, and with your health care providers. Make plans now for your future health care needs. As a competent adult, you have the right to make your own medical decisions. Competent means you have the ability to understand your medical conditions and treatment options.

Know Your Medical Rights - HAP

Let your providers or health insurance companies know if there is information you do not want to share. You can ask that your health information not be shared with certain people, groups, or companies. If you go to a clinic, for example, you can ask the doctor not to share your medical records with other doctors or nurses at the clinic.

Your Health Information Privacy Rights - HHS.gov

(This guide will call these rights the "right to get and amend.") Your medical record includes such things as:

- Information that identifies you, such as your name and Social Security number.
- Information that you tell your doctor, such as:
 - o Your medical history.
 - o How you feel at the time of your visit.
 - o Your family health history.

Your Medical Record Rights in Massachusetts - namimass.org

Summary. As a patient, you have certain rights. Some are guaranteed by federal law, such as the right to get a copy of your medical records, and the right to keep them private. Many states have additional laws protecting patients, and health care facilities often have a patient bill of rights. An important patient right is informed consent.

Patient Rights: MedlinePlus
