Financial Inclusion. Youth having access to money, bank accounts, and learning how to manage their money has dramatic impact. Working toward financial inclusion and financial capability for children and youth will help them in their capacity to find employment or undertake entrepreneurship and to become productive and economically active members of society.<sup>5</sup>

Youth unemployment is the unemployment of young people, defined by the United Nations as 15–24 years old. An unemployed person is defined as someone who does not have a job but is actively seeking work. In order to qualify as unemployed for official and statistical measurement, the individual must be without employment, willing and able to work, of the officially designated 'working age' and ...

Employment is a relationship between two parties, usually based on a contract where work is paid for, where one party, which may be a corporation, for profit, not-for-profit organization, co-operative or other entity is the employer and the other is the employee. Employees work in return for payment, which may be in the form of an hourly wage, by piecework or an annual salary, depending on the ...
